Hi		
Basically, we hav	re an agreement with all Lucas companies to let them	
know if we plan to	to extend an offer to any Lucas employee. It's a	
from Lucas many	nent that's been in place since Pixar branched off years ago. Once you speak to your Supervisor, we	
contact Gail and r	make sure that someone(you) isn't in the midst of a	
project that would	d cause undue hardship to Lucas. It's a courtesy	
and to put our bes	an anything else. However, we agreed to not counter st offer forward from the very beginning. It's a	
very small industr	ry and neither Lucas or Pixar wants to get into an	
issue of counterin	ng offers back and forth. Does that make sense?	
Let me know once	e you speak to your supervisor and we'll keep the ball	
rolling. I've attacl	thed the benefits sheets so you can review	
everything, in the	: interim.	
Take care,		
Dawn
